**COMMENTS:**

Examiner Chan,

A response to the outstanding Office Action mailed January 16, 2004 in Application Serial No. 09/845,557, filed April 30, 2001 was mailed to the PTO on March 25, 2004. However, it has been determined that, because of a database error, the Certificate of Mailing and Transmittal Letter had the wrong Application Serial No. and filing date on them. They were incorrectly identified as Serial No. 09/838,610, with a filing date of April 19, 2001. Enclosed are papers having the correct Application Serial No. and filing date. A duplicate of the Transmittal Letter is not enclosed,

Best regards,

Kenneth W. Float  
Patent Attorney  
Reg. No. 29,233
